'DREA' Hare, Harassment, (Sex) and Unusual punishment etc.

On March 29, 2022 - 10:10 am
Cell 8 maintenance walked around w/ Mike SHANON as they spoke of a light fixture being
cracked, Jose Andrade minter, advised to the w/ my adm the m/ serious issues fix
the 'fucking shower', as I was being made at the m/ Bursing Deputy SHANON'S voice.
SHANON advised me to fix and pack my things I was being moved down stairs holding
cells.

Complied to his threats, of doing this the hard way or the easy way.
and to start the P.V and TABLETS away from all 7 people in the cells.

THIS STATEMENT WAS USED TO INTIMIDATED and HARRAS, ABUSE of power, towards a
inmate. Being a STATE employee this actions were done as if a regular civilian.

The video will show on 3-29-2022 at 10:00 am that I complied to his 'THREATS' as I
showered them the pain (pressure) of water coming in the shower. 'None'

HE STATED to pack up to the cell and cuff up did that as SHANON STATED need of your
'MOUTH' in front of other employee staffed the VAN BUREN (m/ly jail).

Placed in Holding cell #3 for (3 days) / March 31-2022 at 7:58, moved back to up stairs.
PER SGT NATE JOHNSON.

That day apologized to Mike SHANON before moving upstairs.

Later while waiting to move upstairs I see Sgt JOHNSON NATE & the STATE of Michigan
Employees entering the side door of the Booking Office as Jose Andrade minter got the
attention of the Sgt, from my cell 3, if he don't please advise the STATE maintenance
employees, and that I wanted to apologize for my outburst that day. As the camera
footage will show that SGT NATE JOHNSON, got there attention, one maintenance worker LANE
told to SGT JOHNSON that it was the other maintenance worker by the name of LANE. That was
walking through the locks that morning with Mike SHANON - when the outburst by me was made.
After SGT JOHNSON STATED to me of being the other maintenance employee I said, alright my
bad, and I'll just take my apology back then the maintenance LANE grabbed at his crotch
and made some groaning gestures, as he started here taking me back, along w/ other comments.
The SGT JOHNSON and other STATE employees were laughing at the SEXUAL ADVANCES, DEGRADERS.
Is it agreeing to his degrading comments and gestures, this was not only made to HARRAS but
to sexually humiliate and degrade a confined inmate still with all rights intact as a
civilian along with being a member of Society. Innocent till proven guilty.

 FEDERAL

Being still a member of Society my Rights Amendments Const. should and are still all pertaining to me as Jose Armando Montiel and as a Detainee and also a Prisoner. Till a actual Sentencing and a actual trial & verdict of...

I Jose Armando Montiel not the proper steps of a proper Report to a Sgt. I requested to speak to LT. CHAD HUNT, so I can report to the STATE police DIST #51 to STATE the sexual derogatory behavior such STATE employees (Maintenance) and the Sgt. NATE JOHANSON, laughing.

Spoke to Sgt. FERGUSON, Sgt. Small as I was pulled into cell and talked to in a room Sgt. FERGUSON stated she pulled me in, I told her of the camera, and the Sgt. JOHANSON being present, and I wished to speak to the STATE police to report. SHE SGT FERGUSON, stated she HAD to speak to LT. CHAD HUNT.

Her response to grievances, stated she reviewed all camera angles, she found nothing on that date supporting (my) my claim. As you can see she FERGUSON, wished not to speak to the SGT JOHANSON. Nor the Maintenance (STATE) Employee.

This whole neglect to not do a proper 'Plea' investigation and or Report to the STATE police, not only violated my Due process as a member of Society, still a Criminal all proven Guilty.

This whole poor investigation, was done only of Malice Neglect to conduct proper investigation and the actual dates, times, people camera footage, / WISH TO INVESTIGATE, NOT SETTLE.

DEPRIVATION: left not only a member of Society not protected (Rights) But had the STATE inhumanely mistreated and sexually degraded. Not even physically sexually emotionally. These actions from the STATE of Michigan to this recent people Society members. Criminals. Till proven Guilty was and is sad to see in their own County Jail - (U.S.C). Cruel and unusual punishment. DEEA, HARASS, HAZE, DEgraded.

Narrative:

On march 29, 2022 at approximately 10:10am I was walking maintenance through the rock to check the fire extinguishers. I approached Cell 8 I saw that the lighting looked dim. I noticed that there were papers stuck on the light fixtures in the cell. All of the inmates were on their bunks resting. I asked them to remove the papers from the lights. No one responded to me. I asked again and inmate Montiel, Jose Arnoldo (40998) made a comment to the maintenance worker. The comment was, "Why don't you fix our fucking shower instead of messing with this little trivial stuff!" I stated we can do this the hard way or the easy way. You can either take those papers off of the lights or I will shut off the tv and remove the tablets from the cell and take everyone's vists. Montiel got off of his bunk and argued about the shower. Montiel removed the papers from the lights, but continued to disregard my orders to back up to the bars to be handcuffed. Montiel packed his belongings and went to the sink to brush his teeth. Dep. Jorriy opened the door to Cell 8 and waited for inmate Montiel to finish brushing his teeth. Montiel exited the cell and was pat searched and cuffed by Dep. Jorriy (double locked and checked for tightness) without further incident. Montiel was escorted to Holding Cell 3 by Dep. Jorriy and Dep. Birkhead. Inmate Montiel later apologized to me and requested to speak to the maintenance worker to apologize to him. I am leaving the discipline to the discretion of the hearing officer. - Sgt. STATEMENT OF GRIEVANCE: (Include all facts. Include who, what, where, and list all witnesses.)

On Friday April 1 2021 at or around 7am I was logged in cell H-3 for a minor misconduct ticket. I observed Sgt Johnson with two other (state workers) maintenance. I told Sgt Johnson that I wanted to apologize to them maintenance for my outburst on or around 3-26-2021. Sgt Johnson returned to the (state worker) maintenance and stated to them that I'd like to apologize to them. They stated to him (Sgt Johnson) that it was (state worker) maintenance 'Lance' and as I was stating okay my hand they laughed as I seen one grabbing at his crotch area and making thrusting gesture stating, "take this dick" and laughing and stating some other gestures, as I walked away from the door feeling tortured and humiliated (degraded). I asked officer Quinn the following day to speak to a Sgt. He stated okay, two rounds later (2 hrs) I spoke to officer Small and advised him I'd like to speak to a Sgt. about filing a Prea incident report. (USE BACK) →

4/13/22 Grievance Level 2 Response:

I have reviewed all associated camera angles for 4/1/22 0700-0900. Be advised you were actually re-housed to cell 8 on the day prior, so in turn nothing supporting this claim was founded. I also reviewed camera for the previous date 3/31/22 up until when you were removed from that cell and re-housed. I found nothing on that date supporting your claim.
